BOARD CHAIRPERSON
GENE BASS

EXECUTIVE DIRECTOR/CEO
R. CARROLL HUGGINS, CCAP

July 16, 2010

It is with great pride that I welcome you to the KI BOIS Community Action website. We are continually fulfilling our purpose of "Helping People, Changing Lives" by meeting the needs of our communities. Our Community Action board members and staff continue to dedicate themselves to the agency, providing consumers with much needed services and they are to be commended for their hard work. This website will provide you with information about the various programs we offer.

KI BOIS Community Action has continued to grow as an agency with a budget of approximately \$34,000,000 in total federal, state and other source funds for 2009. This past year, KI BOIS Community Action successfully procured over \$5,478,739 in total funds from the American Recovery and Reinvestment Act (ARRA). The funds were implemented to various programs including transportation, Head Start and the weatherization program which strives to provide consumers with warmer and more energy efficient homes.

The coming year provides many challenges for our agency including federal and state budget cuts which threaten to decrease the amount of financial assistance we receive to assist our communities. However, the board members, staff and volunteers of KI BOIS Community Action remain dedicated to meeting these challenges to find assistance for our friends and neighbors in our community who depend on our assistance.

We will not waiver in our determination to improve our communities in helping themselves and helping each other, embodying the American spirit for a better life.

Sincerely,

Carroll Huggins, CCAP
Executive Director/CEO
