July 16, 2010

Since January 1, 1998, I have served as chairperson for KI BOIS Community Action, a position that has brought me great pride and honor. The accomplishments KIBOIS Community Action has been amazing.

The KI BOIS Community Action board is staffed with a valuable number of citizens which includes low-income people, local public officials and business and community leaders located throughout our four county area of Haskell, Latimer, Pittsburg and LeFlore counties. The knowledge and input which the Board provides has proven to be invaluable in assisting our decision-making process, thus ensuring that the voices of the communities that we serve are heard. We truly believe in our motto, "Helping People. Changing Lives."

KI BOIS Community Action offers a wide range of programs for underprivileged individuals and their families. Our programs are life-changing and our staff is dedicated to meeting these needs. We strive to identify those who are in need and improve the lives of those in our communities.

The KI BOIS Community Action board members, staff and volunteers will work tirelessly to continue to meet the needs in our communities in spite of federal and state budget cuts.

On behalf of the Board of Directors, staff and myself, I am hopeful that this website will provide you with vital information regarding the programs our agency offers to its communities.

Sincerely,

Gene Bass  
Board Chair
