**The Southeastern Oklahoma
Continuum of Care is very excited to
announce we will have**

**In Person Training
and Community**

**Mapping
with**

The Cloudburst Group

April 30, 2024

**Pittsburg County Health Department
McAlester, Oklahoma**

Our Technical Assistance Providers will be traveling to Oklahoma for the sole purpose of visiting our CoC. How EXCITING!! They will facilitate community mapping, discussions about Coordinated Entry best practices, and host break out groups for sub-regional areas.

**There will also be a short
CoC meeting at 1:30 pm
after the lunch break**

HUD and The Cloudburst Group are investing in our Continuum and southeastern Oklahoma. Please be sure at least one person from your agency attends the training.
