Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the "Submit Without Changes" process.

In general, HUD expects a project's proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Due to e-snaps limitations, only previously submitted renewal applications can import data into the FY 2021 renewal project application. The data from previously submitted new and renewal project applications can be imported into a FY 2021 renewal project application. The "Submit without Changes" process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2019 information
- a project that had Issues or Conditions that were addressed in FY 2019 Post-Award and updates need to be reflected in the FY 2021 project application
- a project that had amendments approved in FY 2019 or FY 2020 that need to be reflected in the FY 2021 project application

e-snaps will automatically be set to "Make Changes" and all questions on each screen must be updated.

Renewal projects that brought forward data from FY 2019 and have either a Leasing budget, Operating budget or use HUD PAID RENTS (Actual Rents) instead of FMR MAY NOT use the "Submit Without Changes" process and e-snaps will automatically be set to "Make Changes". All Leasing and Operating budgets, along with Rental Assistance budgets that use HUD PAID Rent will need to be updated in the application. Refer to the GIW posted on the HUD Exchange for accurate budget information on leasing and operating budgets and refer to the HUD PAID RENT document sent by your field office from HUD HQ to accurately set your rental assistance budgets that use HUD PAID rents. This will only impact the FY 2021 competition.

The e-snaps screens that remain "open" for required annual updates and do not affect applicants' ability to select "Submit without Changes" are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in "Read-Only" format and should be reviewed for accuracy; including any updates that were made to the 2019 or 2020 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select "Submit Without Changes" in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: "Submission Without Changes" Screen, select "Make Changes", and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click ""Save"" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks ""Save"", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2021 CoC Competition.

Renewal Grant Consolidation or Renewal Grant Expansion

The FY2021 CoC Competition will continue offering opportunities to expand or consolidate CoC projects. A few changes have occurred that differentiate the process from FY 2019.

1. Expansions and Consolidations will submit individual applications.
 - a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.
 - b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.
2. HUD HQ will combine the data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

**1. Is this renewal project application No

1. Provide a description that addresses the entire scope of the proposed project.

The Program (Pgm) requested and was granted a change in scope for the Pgm in 07/19. The Pgm will now provide rapid rehousing instead of permanent supportive housing. The Pgm will provide PH-RRH for 15 families/individuals who are victims of domestic violence (DV) and have a diagnosed disability. The geographic area to be served is Haskell, Latimer, LeFlore and Pittsburg Counties in rural Southeastern Oklahoma. The majority of shelters in the CoC are for DV victims and this is the only PH-RRH project in the CoC. Participants will be initially screened by the referring agency. The case manager (CM) will provide additional screening for eligibility during intake. The Pgm will provide rental and utility assistance. Participants will be responsible for providing acceptable documentation of their disability. Pgm participants will live in scattered site apartments or single family homes. The majority of units will be 2 bedrooms unless the size of family warrants a larger unit. Housing assistance will be provided for up to 2 years on a gradual reduction scale: 100% the 1st yr, 75% the first 6 months of the 2nd yr and 50% the second 6 months of the 2nd yr. Once the Pgm is completed, participants remain in their housing unit and the Pgm removes itself from further obligation on the unit.

Participants will receive comprehensive case management and supportive services. The CM will work with each participant to update and maintain their service plan on a monthly basis. The service plan contains short and long term goals and objectives. Participants attend DV groups at their local shelter on a regular basis. Frequency is based on their needs. Participants attend monthly housing groups offered by the CM. Group content includes: landlord/tenant relations, budgeting, safety, and other topics as requested. Other supportive services include transportation, medical, mental health, employment, social services such as TANF, food stamps, etc, education, job training, and life skills training. The CM will make routine home visits during the participant's tenure with the Pgm. Initially, the CM will make weekly home visits and then adjust frequency to meet the needs of the participant.

The Pgm will partner with the 3 DV shelters in the area to provide referrals, groups and one on one sessions for participants. The Pgm will also partner with the local Dept of Human Services in each county to facilitate priority homeless services for their eligible participants. The Pgm will partner with the local schools, technology centers, mental health and medical clinics. Other partners will be recruited based on the local area and participant needs. At the end of the two year period, the Pgm will no longer provide financial support but the participant is still eligible to attend all housing and DV groups and request one on one sessions with the shelter staff and the CM. The projected outcome for all

participants is self-sufficiency in safe, stable, affordable housing.

Please note that, new for FY 2018, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

AGREEMENT DATE: 5/22/2020

SECTION III: GENERAL

A. LIMITATIONS:

The rates in this Agreement are subject to any statutory or administrative limitations and apply to a given grant, contract or other agreement only to the extent that funds are available. Acceptance of the rates is subject to the following conditions: (1) Only costs incurred by the organization were included in its indirect cost pool as finally accepted; such costs are legal obligations of the organization and are allowable under the governing cost principles; (2) The same costs that have been treated as indirect costs are not claimed as direct costs; (3) Similar types of costs have been accorded consistent accounting treatment; and (4) The information provided by the organization which was used to establish the rates is not later found to be materially incomplete or inaccurate by the Federal Government. In such situations the rate(s) would be subject to renegotiation at the discretion of the Federal Government.

B. ACCOUNTING CHANGES:

This Agreement is based on the accounting system purported by the organization to be in effect during the Agreement period. Changes to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require prior approval of the authorized representative of the cognizant agency. Such changes include, but are not limited to, changes in the charging of a particular type of cost from indirect to direct. Failure to obtain approval may result in cost disallowances.

C. FIXED RATES:

If a fixed rate is in this Agreement, it is based on an estimate of the costs for the period covered by the rate. When the actual costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference between the costs used to establish the fixed rate and actual costs.

D. USE BY OTHER FEDERAL AGENCIES:

The rates in this Agreement were approved in accordance with the authority in Title 2 of the Code of Federal Regulations, Part 200 (2 CFR 200), and should be applied to grants, contracts and other agreements covered by 2 CFR 200, subject to any limitations in A above. The organization may provide copies of the Agreement to other Federal Agencies to give them early notification of the Agreement.

E. OTHER:

If any Federal contract, grant or other agreement is reimbursing indirect costs by a means other than the approved rate(s) in this Agreement, the organization should (1) credit such costs to the affected programs, and (2) apply the approved rate(s) to the appropriate base to identify the proper amount of indirect costs allocable to these programs.
