FYI

EACH YEAR KI BOIS COMMUNITY ACTION CONDUCTS COMMUNITY NEEDS SURVEYS TO DETERMINE THE CAUSES OF POVERTY. LOW-INCOME FAMILIES, BUSINESS AND COMMUNITY LEADERS, AND ELECTED OFFICIALS RANK THOSE CAUSES IN ORDER OF SEVERITY. THE KI BOIS COMMUNITY ACTION BOARD OF DIRECTORS THEN DECIDES WHAT PROGRAMS KI BOIS COMMUNITY ACTION WILL OPERATE IN THE COMING YEAR.

KATS is a public transit system offering services to all individuals without regard to income. We have a fleet of over 230+ vehicles. These include vehicles that are accessible to the disabled and meet ADA requirements. Our type of service is demand response. That means, "You call, we pick you up"! Our service area includes Haskell, Latimer, LeFlore, Pittsburg, Adair, Cherokee, Sequoyah, Okmulgee, McIntosh, Hughes, Okfuskee, and Wagoner counties. Transit depots are located in all twelve counties. We connect to Amtrak, airports, and Greyhound bus depots in Ft. Smith, Tulsa, McAlester, Muskogee, and Oklahoma City.

Our services include transportation to jobs, social services, education, schools, shopping, medical, and recreation.

Our normal hours of operation are 8:00 AM to 4:30 PM, Monday through Friday. Fares and schedules may vary and depend on the time and length of the trip.

"Our mission is to provide Oklahoman's in our service area a safe, reliable, and affordable ride that meet their transportation needs".

KATS is a proud partner with the Cherokee Nation, Muskogee (Creek) Nation, INCOG, SoonerRide, and the Oklahoma Department of Human Services.

HOUSING & WEATHERIZATION

HOUSING

KI BOIS Community Action has rental properties throughout the service area. Tenants for these properties must meet the guidelines established by the funding source.

FYI

KI BOIS CAF HAS AN ANNUAL BUDGET OF OVER \$30 MILLION DOLLARS.

HUD Section 202 PRAC funded properties provides housing for the elderly with a rental subsidy on behalf of tenants in these properties that covers the difference between the HUD approved operating costs and the tenant's contribution toward rent.

Baysul Balentine Estates – Heavener

Marie Cleveland Estates – Stigler

Bob Miller Estates – McCurtain

Champ Hodgens Estates – Hartshorne

Eligible tenants must be age 62 or older and meet federally established income limits. Rent is based on income for qualified and approved applicants. Selection will be based on a first-come, first-serve basis.

Oklahoma Housing Finance Agency funded properties provides housing for tenants that meet federally established income limits and all other eligibility requirements.

WEATHERIZATION

This is an energy conservation program that addresses measures to help eligible families to reduce their heating and cooling costs. This program now uses the National Energy Audit Computer Program (NEAt) to determine what measures need to be done to the home. These measures include but are not limited to attic, wall and floor insulation, reducing air leakage, base load measures and heating repairs.

Potential health and safety issues will be checked prior to any work being done on the home. These issues must be corrected before KI BOIS Community Action can weatherize the home.

The program is not a storm window and door program. These items will not be put on a house, unless it is recommended by the NEAt program.

Total household gross income not more than 200% of the Federal Poverty Guidelines:

FOSTER GRANDPARENT PROGRAM

FYI

COMMUNITY ACTION AGENCIES ARE LOCALLY CONTROLLED NON-PROFIT ORGANIZATIONS THAT WORK TO IMPROVE THE LIVES OF LOW-INCOME INDIVIDUALS BY CREATING OPPORTUNITIES FOR INCREASED SELF-SUFFICIENCY AND GREATER PARTICIPATION IN THE COMMUNITY. THE OKLAHOMA ASSOCIATION OF COMMUNITY ACTION AGENCIES PROVIDES ADVOCACY, INFORMATION, EDUCATION, AND TECHNICAL ASSISTANCE FOR ITS MEMBERS.

Foster Grandparents age 55 and above help children with special and exceptional needs: educational, social, emotional and/or physical. Foster Grandparents assist in local organizations -- including faith-based groups, Head Start Centers, schools, and other youth facilities. They help children learn to read, provide one-on-one tutoring, and guide children at a critical time in their lives.

Foster Grandparents act just like grandparents. They provide wisdom, experience and tranquil love. They may often fill a void sometimes created in today's fast and furious world. Working 15-40 hours a week, these unique people do not replace other workers.

Foster Grandparents receive a modest, tax-free stipend which does not affect their eligibility for other benefit programs such as Social Security, a Bridge Card, etc. They also receive a meal on the days they serve as a Foster Grandparent, a yearly physical exam, monthly training, 40 hours of orientation and are reimbursed for travel.

Volunteers driving their own vehicles receive excess auto insurance coverage and accident and personal liability insurance. Foster Grandparents also receive recognition for their special service to children throughout the year.

Foster Grandparents provide a good role model for children, are good listeners, give children consistent love and positive reinforcement, talk with their special child, walk with their special child, accompany children on field trips and special events, read stories, assist with craft activities, help a child develop self-esteem and self-confidence, and eat meals with their children.

Foster Grandparents, along with the Senior Companion Program and Retired and Senior Volunteer Program, is a National Senior Service Corp Program.

VOLUNTEER INCOME TAX ASSISTANCE

FYI

ALL VITA VOLUNTEERS ARE TRAINED BY THE IRS AND MUST SUCCESSFULLY COMPLETE TESTING BEFORE DOING TAXES.

The Volunteer Income Tax Assistance (VITA) program has provided free tax preparation services through local community coalitions for households since the early 1970s to ensure the distribution of EITC (Earned Income Tax Credit). IRS certified volunteers are trained to prepare basic tax returns and work to make sure that all tax credits the taxpayer qualifies for are taken, including EITC. And, because volunteers are trained and certified by the IRS, the taxpayer knows that taxes are filed quickly, correctly, confidentially, and securely.

Through the Volunteer Income Tax Assistance (VITA) program, volunteers and staff prepare basic Income tax returns and transmit them electronically using software provided by the Internal Revenue Service. KI BOIS Community Action offers this service free of charge to citizens in our Stigler, Wilburton, McAlester and Poteau offices.

To qualify for this free service the total household income must be below \$56,000.00 (2020). KI BOIS **WILL NOT** prepare the following returns:

- Rental Properties
- Schedule D (Capital Gains & Losses; Stocks)
- Farms
- Moving Expenses
- Minor's Investment Income
- Installment Sales Contracts
- Trusts and Partnerships
- Business Use of Home
- Employee Business Expenses
- Cancellation of Debt
-

Our free e-filing service may take 7-10 days to receive the refund. But remember it's free and could save on average \$300.

EMERGENCY SERVICES

This program will assist families with past due utility payments, past due rent and food. The Haskell County office in Stigler, the Latimer County office in Wilburton and the Pittsburg County office in McAlester serve as the Salvation Army Unit for their respective county. They offer yearly, one-time, one month utility assistance for up to \$100 to keep utilities from being shut off. This is emergency support only, not on-going support. All assistance is paid directly to the utility company.
