About PICK.

What is PICK?

It's an on-demand ride service, meaning it doesn't follow a specific schedule or routes like traditional public transit. Simply give us your pickup and dropoff addresses, and choose a ride option that works best for you. We'll come to you and get you where you need to go!

How can I pay?

Currently we accept payment by credit or debit cards. Head to the Payment Methods page in the app to add a card to your account. You may also pay in cash. Please pay with the exact fare as our drivers are unable to give change.

Can I book a ride in advance?

PICK is an on-demand service, so you should book a ride a few minutes before you're ready to leave. The app will provide you with a real-time ETA.

Who will I be sharing my ride with?

Passengers headed in the same direction ride in the same vehicle, so others may be picked up and dropped off during your trip. This keeps the service fast and affordable!

Are wheelchair accessible vehicles available (WAV)?
