

To Whom It May Concern,

I want to let you know how much stress your service has taken out of my life. My husband of 50 years was bed-ridden from a stroke seven years ago. He is able to get up into a wheelchair but cannot maneuver into a car. Getting him to a dentist was my first challenge. Your company came to the rescue.

When I needed to get him to a surgeon's review.....your company came to the rescue again.

Your driver, Darrel, was professional, helpful, on time and as careful a driver as one can be. Also, the first contact someone has with a company is the one who answers the phone. There again, Shirley is an excellent employee. Her pleasant manner in securing the necessary questions was also reassuring. I cannot thank you all enough for the help you have given my family.

Sincerely

June L. Dickenson
